

YELLOWJACKET

1930

DEDICATION

THE 1950 SENIORS DEDICATE
THIS ANNUAL TO
OUR LOYAL AND CO-OPERATIVE TEACHER
MR. RICHARDS

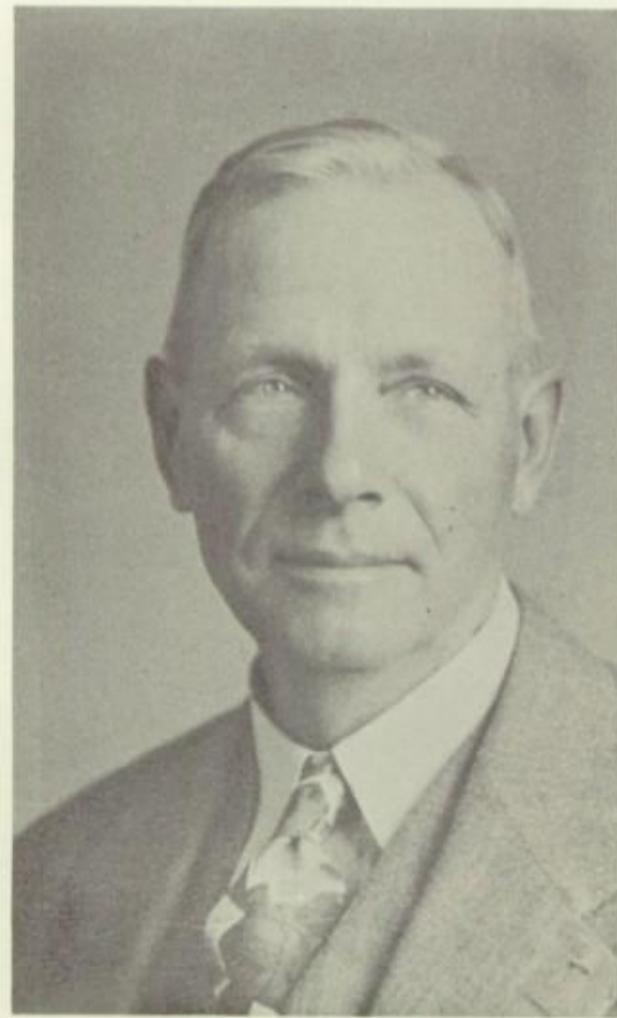

Not often does a group of students come in contact with such a helpful and friendly person as our own Vocational Agriculture teacher is. Not only does he smilingly undertake the various reconstruction jobs that we often make necessary, but he also finds time to untangle the boys' record book difficulties. His calm, patient manner in helping us solve our problems is one that we shall long remember after leaving Harveyville High.

"Our Cooks"

Left To Right: Mrs. Turner,
Mrs. Dinwiddie, Mrs. Bruce.

When Mrs. Ibsen stopped at Harveyville High in February, she spoke on "How to Become More Beautiful Girls and more Handsome Boys." Before she spoke, she suggested that all the cooks come upstairs to hear her speech on vitamins and proper foods. She realized how important our cooks are in keeping us healthy and happy.

Mike is Harveyville High's "Keeper of the Keys." He locks the doors after us, keeps our indoor climate just right and always finds a seat for that late-comer at the basketball games.

While Russell Fouts is picking up Yellowjackets along the north route, David DeLong fills his bus with students waiting along the south route. These drivers' cheery "Good Morning" and big yellow buses play a big part in the lives of Harveyville Highers.

Pep Club

This year's Pep Club, which has the duty of providing pep for Harveyville's Yellowjackets, sent into action its three cheerleaders clad in new gold and black uniforms. To raise money, the Pep Club in co-operation with the Kay-ettes sold food at the games. From this fund has come money to help secure not only cheerleaders' uniforms but to pay Pep Club fares to tournaments, to help out on the March of Dimes, and also to serve as a starter for next year's project—the securing of new jackets to make an even more peppy Pep Club.

If you were to go by the music room, a series of squawks, toots and squeaks would assail your ears. Inside, you would find Mrs. Whipple waving her baton furiously as she worked to create a band after the band's three years of recess. Her combined grade and high school band has performed at all home basketball games. The twirlers with their gold blouses, black skirts, white boots, and whirling batons have provided enjoyable entertainment during halves and between games.

Glee Clubs

The Glee Clubs under the direction of Mrs. Whipple and accompanied by Joan Baxter have proved a delightful musical experience for the Harveyville Yellowjackets. Their music has brought entertainment to the church groups, Womans' Club and to the community through school programs.

The combined Glee Clubs presented the operetta "Chonita" starring, Irene Walker as Chonita, Robert Chatham as Stefen, Dean Crumb Chonita's father, Bonnie Cheuvront as Chonita's old nurse, and Jimmie Akers as Konrad. All of these were solo parts. The operetta was February 3.

The Kay-ettes, a division of the Kansas State High School Activities Association, is an outstanding group which helps with world, community, and school service projects.

Slogan--Laugh, Love, Lift
Motto--Today for Tomorrow

The Harveyville Kayettes are now four years old, and with the graduation of this year's Senior class the charter members will all have passed into the great country beyond. The Kay-ettes not only are a service group but spend much time on building character and developing the highest type of womanhood. Thus living up to their motto. In the summer of 1949, Bonnie Cheuvront represented this group at Camp Horizon, the State Kay-et Camp, located at Arkansas City, Kansas. Shirley Davis, Pat Stevens, Hilde Jenssen, and Alice Zabel represented the group at the District Kayette Conference held at Osawatomie in December of 1949. This group has easily won the 1,000 and 2,000 point awards and are striving this year to win the final 3,000 point award.

The six objectives:

Recreation
Religion
Leadership
Personality
Service
Appreciation

F. F. A. Officers

The F.F.A., in October, went to the American Royal at Kansas City where they watched the cattle being auctioned.

To encourage better farming, this year's F.F.A. awarded one gilt to Jim Romine and one to Monty Haller. These two members will care for these gilts and return them plus one new gilt from each of the new litters.

In mid September, the F.F.A. boys plowed the two acre patch back of the high school. In May they plan to plant this to corn. From this project the Future Farmers hope to make money to finance the trips to the stock judging events next Spring.

Aside from helping buy new blue jackets for this year's eight officers, the F.F.A. has contributed to the March of Dimes and made a trip to Eskridge on John Deere Day.

Harveyville High School entered its fourth season of six-man football under the leadership of Coach Murphy.

The Yellowjackets, after a slow start, stormed back to win the season's last game. Every game that was played was done so in the absence of a player or so due to injury. This contributed greatly to our team's losses. They had lots of life and spark but just didn't have enough power to push the ball over the goal line.

Prospects should be good for another year.

But We Finally Made It.

The Yellowjacket squad boasted of their "B" team's accomplishments this year. In regular season play the "B" team won eleven and lost four. The Jackets had good reason for feeling proud, for the "B" team took first in the County League and the County Tournament.

The "A" team, which took fourth in the County Tournament, won five and lost ten in regular season play. They won from Maple Hill, Alma, Alta Vista, Paxico, and Auburn.

On February 28 and March 1, 2 and 3 Harveyville had the honor of being host to the District Tournament.

JIM ALMOST GETS THE BEEF

Most of Harveyville High's fifty-three students went to the American Royal last Thursday. Some of Mr. Richards' F.F.A. members were in the cattle building watching the fast talking auctioneers auction off 15 steers when Jim Romine saw Mr. Lively come in escorted by a herd of cattle. Jim, realizing the value of a good neighbor policy among one's teachers, took off his hat and waved at Mr. Lively just as the auctioneer asked for a bid of \$38.50 per hundred for the steers. The auctioneer seeing Jim's waving hat thought Jim to be a buyer and would have sold him the fifteen steers had Mr. Richards not saved the day by shouting, "No!" It's said that Jim's sigh of relief could be heard as far away as the outskirts of Harveyville.

Seniors

Class Will

Jimmie Akers wills his height to Loren Masters, who wants to get up in the world.

Joan Baxter wills her typing ability to Alice Zabel, so Alice can add speed to the clicking of little keys for the LISTER COMPANY.

Jim Butler wills his way with women to Bill Gifford, who in spite of his Charlie Atlas physique, has so much trouble with such matters.

Bonnie Cheuvront wills her shorthand ability to Virginia Brobst, who is having such a terrific struggle with hers.

Dean Crumb wills his new Chevrolet to Marion Burgess, who will be making trips to Topeka soon.

Boyd Davis wills the hard work of a Senior President to some unlucky Junior.

Paul Dinwiddie wills his rare ability to laugh with his mouth r-e-a-l wide open to Dale Sutton, who never laughs in class.

JoAnn Garinger wills her ways with the Romine boys to Bonnie Bowser, who doesn't do so badly herself.

James Hotchkiss wills his big muscular build to puny Jack Lamb, who is so frail.

Fred Rogers wills his loud, boisterous ways to Shirley Davis, because she is so quiet.

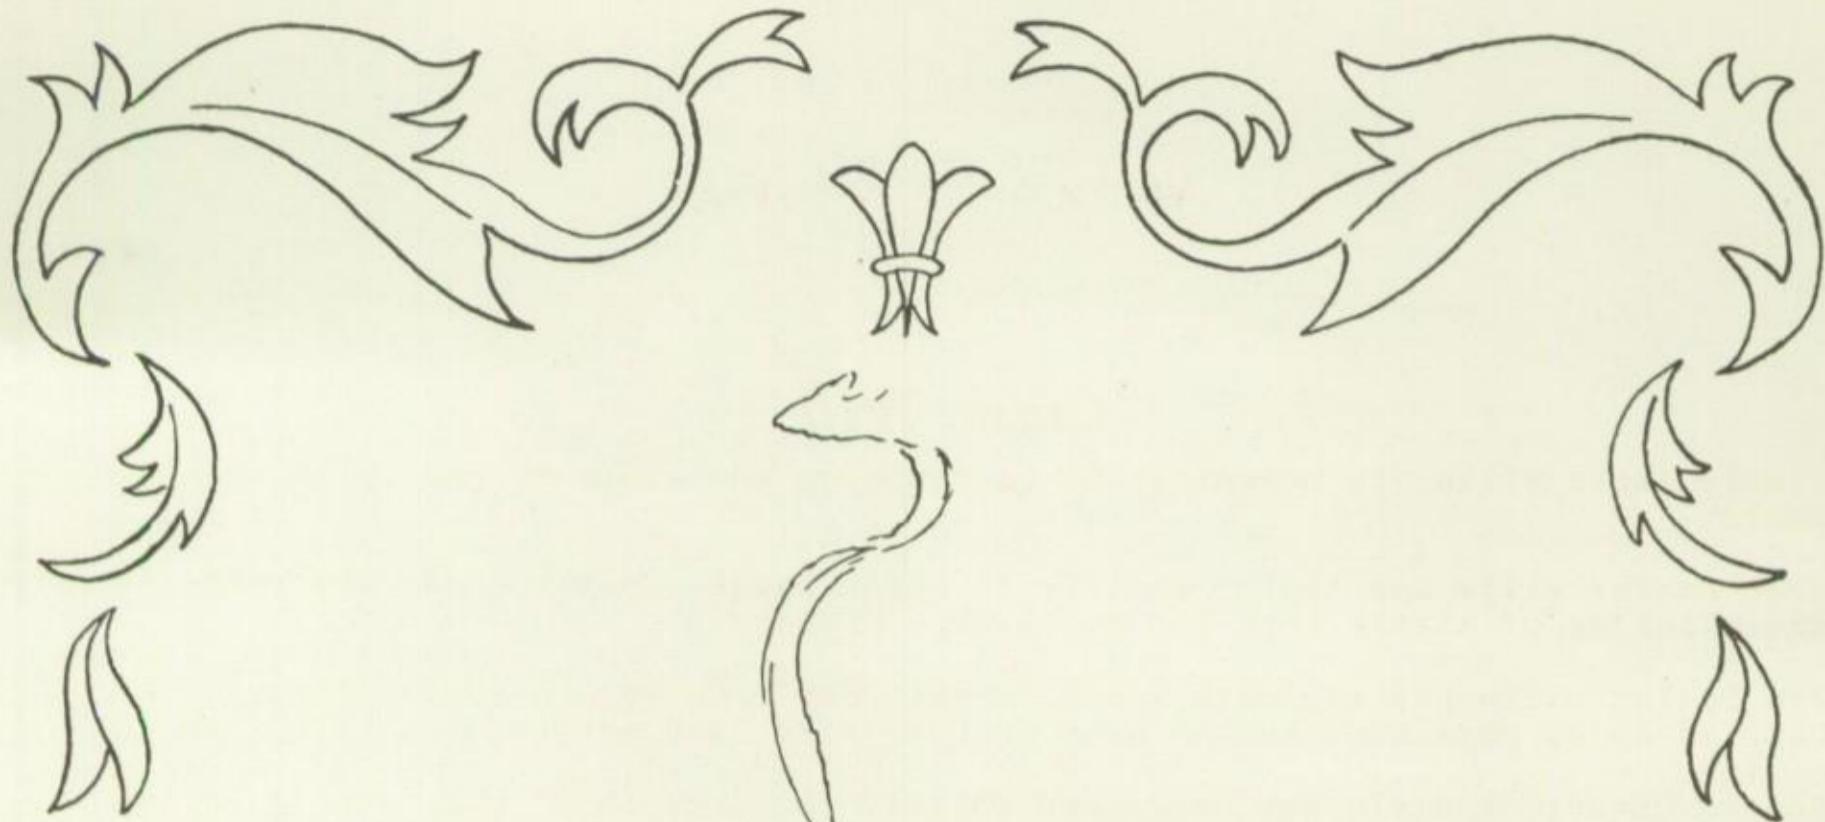

Dale Romine wills his red hair to Dick Riggin, who seems to like red hair so much.

Joan Smith leaves Jack Lamb to the Junior girls to fight over.

Irene Walker wills one-half the glitter of her rhinestone to Pat Stevens whose ring finger could stand a little glitter.

To the faculty we will our excess knowledge, so they may further their teaching careers.

To the Sophomores and Freshmen we will those outstanding traits that made us such an outstanding class.
